

Dear hiring manager at Flexible Staffing Studio,

I am interested in the 12 month contract software development position based in Kent, WA. I am a software developer with a strong coding aptitude and practical skills. I am also passionate about problem-solving. I prioritize effective communication, strong teamwork, and meeting deadlines. I am committed to continuous growth and enthusiastic about contributing my skills and expertise to your team.

I have attached my resume for your review. I would appreciate the opportunity to discuss my qualifications and experience with you. Thank you for your time and consideration.

Sincerely,

Anthony Sinitsa
