Dear Hiring Manager,

I am interested in applying for the job of software developer at TikTok. I am a software engineer specializing in Python with a strong coding aptitude and practical skills. I am also passionate about problem-solving. I prioritize effective communication, strong teamwork, and meeting deadlines. I am committed to continuous growth and enthusiastic about contributing my skills and expertise to your team.

I have attached my resume for your review. I would appreciate the opportunity to discuss my qualifications for the job with you in person. Thank you for your time and consideration.

Sincerely,

Anthony Sinitsa
